Customer Appreciation Days at Raven

Garage Sale A Success!

The 2nd Annual Zero Waste Indoor Community Garage Sale took place last weekend and was another success. With support from the City of Whitehorse and North Star Mini-Storage, Zero Waste Yukon was able to organise an event with vendors selling reusable goods.

Most people don't think of the 4 R's when it comes to garage sale time but they are a great way to re-use items and reduce the amount of new stuff that you need to buy.

Rendezvous is done and dusted for another year so you might be wondering what fun things are happening to fill the time until Spring. Raven Recycling has something for you. Not only do we have an inventory blowout sale in the free store but we also have a draw especially for customers with refundables. Prizes include t-shirts, water bottles and other fun stuff.

*"Everything in life that's any fun, as somebody wisely observed, is either immoral, illegal or fattening."
- P G Wodehouse*

The more refundables you bring to Raven then the more chances to enter you get. \$10 or less gets you an entry into the draw. A total refund of \$10.05 to \$25 gets two, \$25.05 to \$50 is worth four entries and if your refund is over \$50 then you get no less than six entries into the draw. Scrap metal sales do not qualify.

The sale runs from 9AM Thurs 26th to 6PM Saturday 28th February in the free store. Prize winners will be phoned and the prizes can be picked up at Raven.

We've had some changes down in the depot with staff coming and going. So, as we say goodbye and thank you to some people we say hello and welcome to others. Call in sometime and say hello to the new workers.
